

## COEUR DE CAVE MALT WHISKY

triple wood - 2 batch

FOR FRANK AND MARCO

ROBE : AMBER  MOUTH : MELLOW  
NOSE : DRIED FLOWERS, BLOND TABACCO  FINISH : FRESH, TAOSTED, LIGHTLY SMOKED

### Presentation

Exclusively selected by our German distributors (Bruhler WhiskyHaus and Whisky for Life), this blended malt whisky knew three kind of Sherry maturation, one cask was a very old Oloroso from Harveys Fernando III.

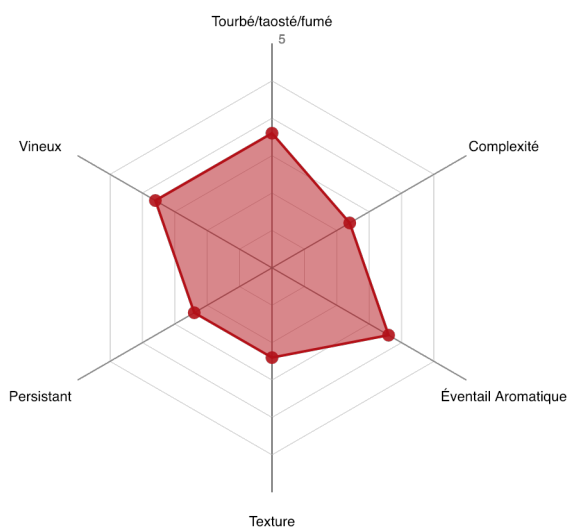

The bottling is made in two times: 450 bottles each: 1st batch on the 10th October 2016 and the 2nd batch on the 6th March 2017.

The difference between each of them (on the top of the cask and in the bottom and a longer maturation) is felt: more wine influence, more balanced.

### Tasting suggestions

interesting to compare the 2 batch!
