spicy, a great red fruits range of savors

COLHEITA LIKE A VINTAGE

ROBE : BURNT RED  
NOSE : CEREAL, ALMOND, FRUIT

MOUTH : TIGHT, NERVOUS, STRONG  
FINISH : LIGHT, OPEN AND NICE RANCIO

## Presentation

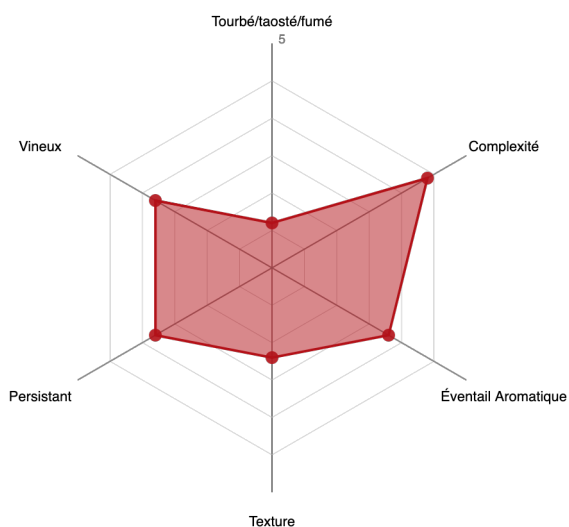

A distillery provides us with a historic variety of barley - Golden Promise - that produces spirits with great complexity. One time, we are fortunate to be able to acquire freshly emptied Porto Colheita pipes that smell powerfully of a Ruby's fruitiness and the complexity of a Tawny.

A delicate and subtle maturation, we hope the finesse of the Colheita, but after 10 years of ageing we get spicy flavors and an incredible rancio offering a very elegant finish. Keeping energy and concentration, we bottled at natural strength suppose at 54%. The bottling has been made on February 3, 2021 to obtain 2000 bottles and 12 magnums only.
