Presentation

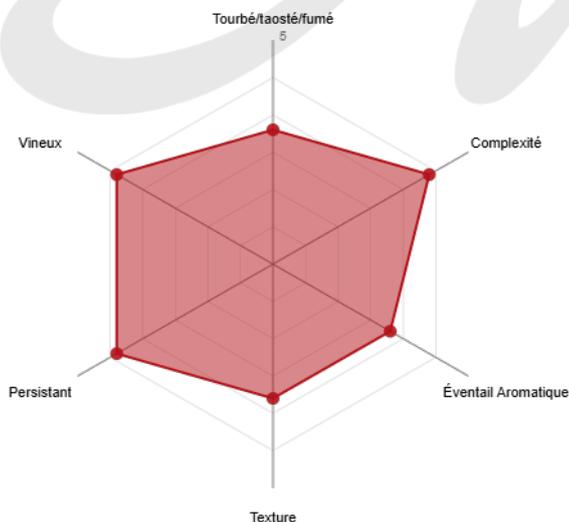

This is the second version of Mystic Overaged. Our classic blended malt enhanced with more peated proportion, more dark Sherry influence.

Bitterness, liquorice, Xmas puding, honey, roasted beans... We enjoy to produce an very classic old style of malt whisky.

Peat and Sherry is a classic but that demands a good balance, it must feel smooth and dry, light and heavy.

872/700ml + 36 magnums are made in November 2025 for our German distributors exclusively.
