Presentation

Despite its ageing in wood, The "Twenty" has kept its light colour and its delicate and subtle flavors. Delicate nose, iodine, reminding spindrifts. Floral flavors enhanced with fresh almond elegance and subtle Woody after-taste. Very round first feelings, it appears very tight and complex length. It should appear fragile et light, its flavors are very long and complex with a wonderful deep. Approx 400 flasks bottles of 500ml have been purposed in 2010, only.
