## Presentation

2022 Edition - Distilled in June 1998, bottled in June 2022 at natural strength, without water.

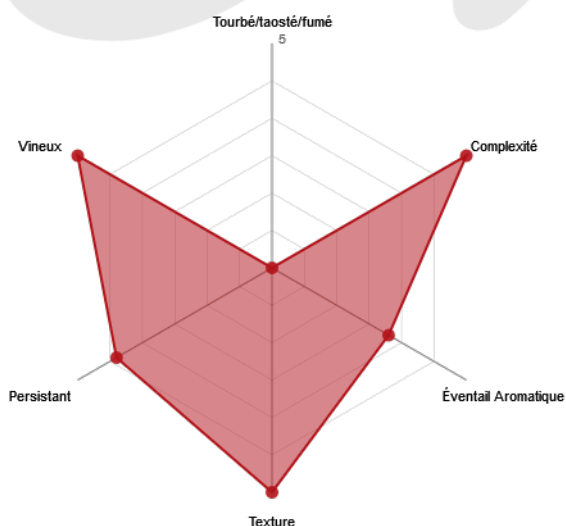

Beautiful classic of Michel Couvreur range, when the old Malaga is well balanced with malt spirit: giving round, mellow texture with light and fresh length together.

Appears easy, its complexity is felt after few seconds. Spiced, slightly woody, nice rancio.

850 bottles at natural strength of 48% alc./vol..

A good friend of long evening, it has to be savored slowly because its complexity.
