

XV 2005 2020 PALO CORTADO SINGLE CASK WHISKY

an unusual touch

PALO CORTADO SHERRY CASK

ROBE : AMBER LIGHT
NOSE : FLORAL, BITTER, FIRE STONE

MOUTH : ROUND WITH AN SPICY ENERGY
FINISH : SOFT AND DELICATE, SLIGHTLY TAOSTED

Presentation

Unusual maturation because Palo Cortado Sherry casks are hard to find. X files: We like to purpose the same spirits than our usual Clearach but older.

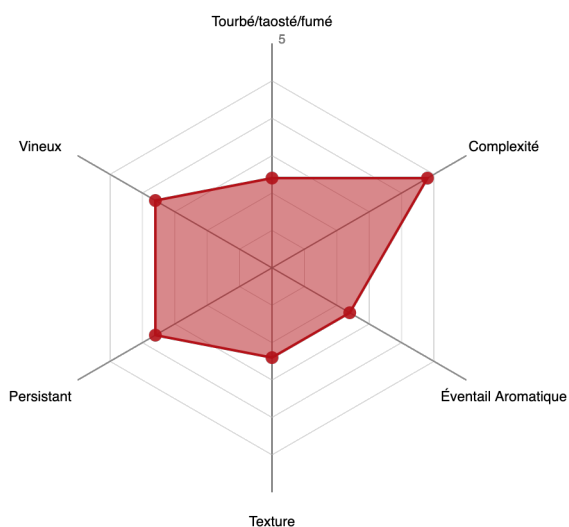

Floral, fine and delicate, it presents unusual scents of flint, dried flowers flavors. Always the same silky texture and spice provided by the sherry barrels which are intense in the mouth. Pretty orange bitterness, reminding old liquors, enhanced by a slightly toasted finish.

Natural strength: 790 bottles were made on May 13, 2020 including 12 magnums and 72 bottles in 750ml for our American market.

Tasting suggestions

Left a longer time in your glass makes feel all its subtility.

Aromatic Profile
