Présentation

This whisky is purposed in a special wooden box with a bottle of Toro Albala PX 1984 16% vol. in order to share our moto: our Blossoming demands a great wine.

Younger than usual, this Blossoming is bottled at high abv, a drop of water has been added before bottling only.

The cask is a Toro Albala 1959 PX cask, very old, dark Sherry with roasted, coffee beans flavors.
